Special Notice

Many of our customers complain that the question of guarantee is being badly abused.—

Demands are being made on them for replacements that are unjust.— Articles have been wilfully broken—and, in many instances the replaced articles find their way into pawn shops. Therefore for your own protection until further notice DO NOT REPLACE ANY ARTICLE OF OUR MAKE UNTIL SAME HAS BEEN RETURNED TO OUR FACTORY FOR EXAMINATION.

Our goods are made in the best manner possible.—We shall cheerfully replace any that accidentally may prove defective—but we will not replace any that have been abused.
