Solid Steel, Jointless Pattern, Curved Blades, Full Nickel Plated

These scissors were developed especially for Professional Manicures. The curved points are sharp as needles and match perfectly, extra large screws of hardened steel prevent blades from working loose.

No. 503¾—Length 3¾ in.; wt. per dozen 8 ozs.\$15.00
One-half dozen in a box.

PEDICURE SCISSORS

WISS

Solid Steel, Curved Blades, Full Nickel Plated

Designed for trimming heavy finger and toe nails. The peculiar shape of blades gives them a powerful cutting leverage.

No. 623½—Length 3½ in.; wt. per dozen 11 ozs.\$16.20
One-half dozen in a box.

"WATCO" SHEARS

High grade fully warranted to hold their cutting edges longer than any other shears made. Perfect cutting shears of unusual excellence for dressmaking and general cutting.

The special "Lock-Screw" and nut makes an instantaneous and permanent adjustment never too loose—never too tight. Special high lustre finish.
