SHIPPING TERMS

All shipments are F.O.B. Factory, Newark, N. J. 07107, or Maplewood, N. J. On shipments qualifying for freight allowance freight is allowed to your home city within the continental United States, Alaska excluded, at the lowest available overland freight rates, excluding delivery charges at destination. We do not make prepaid shipments except on Government orders, as noted under "Drop Shipments."

We reserve the right to designate the carrier and to limit the freight allowance to the most favorable rate. Freight allowance is deducted by us from invoice.

Any claims for adjustment must be presented within six months of invoice date.

If in a combination drop shipment that does not qualify for freight allowance, there is an individual commodity that would qualify for freight allowance when shipped by itself, freight will be allowed on that commodity only.

Any drop shipments not qualifying for full freight allowance will be subject to a service charge of \$5.00.

Exception: Drop shipments to Municipal, State and Federal Agencies will be prepaid and freight charges added to customer's invoice if shipment does not qualify for freight allowance.
