**WISS INLAID® BLADE SNIPS
HOT DROP-FORGED**

Here are the finest snips made. INLAID means a special process of welding high-carbon steel blades to hot drop-forged steel frames to make a superior combination of edge hardness and adjustability that make Wiss INLAID snips cut better and last longer.

**WISS WISSALOY® INDUSTRIAL SNIPS
HOT DROP-FORGED**

Wissaloy® industrial snips are hot drop-forged of a Wiss formula of molybdenum steel. This extra strong, tough steel coupled with Wiss' exacting manufacturing standards produces snips that will cut easier, better and hold their cutting edge longer than any conventional snips.
