

New from **WISS®**...

**HOLD
AND
CUT**

POLYESTER SHEARS

**Knife-Edge & serrated blades
combine superior cutting
ability with non-slip control!**

Extra sharp cutting edge.

Serrated blade prevents slipping.

- Hot drop-forged of fine cutlery steel
- Designed to handle those "special" slippery synthetic fabrics
- Serrated blade holds, while extra sharp knife-edge blade cuts quickly, easily, cleanly
- Packaged in vinyl protective case
