

## Cut your pattern the professional way with **WISS** Dressmakers' Shears

Scientifically constructed bent handles let blades slide parallel to fabric for faster, easier, more professional cutting. And these famous Dressmakers' Shears by Wiss are practically a lifetime purchase, thanks to the high carbon crucible steel inlay that means extra quality, keenness, durability. No. 127, \$3.75\*. Send 10¢ for your copy of the new Wiss booklet, "What You Should Know About Shears and Scissors." Dept. 2C.

**J. WISS & SONS CO., NEWARK 7, N. J.**
