TO OUR FELLOW EMPLOYEES AND GUESTS:

It is with sincere pleasure that we welcome you to our 100th Anniversary Celebration. We feel that all of us should be justifiably proud to have helped accomplish our first 100 years of continuous manufacture. Few other American companies have attained this achievement, particularly under the same family leadership.

We are deeply appreciative of those who have preceded us, both in management and in production, as well as those of us now employed by the Company whose loyalty and cooperation have been responsible for this wonderful record which we celebrate tonight.

Our shears, scissors, and snips are famous throughout the world for their high standard of quality; and we will continue to make them the finest in the world and to remain the leaders in our field for many more centennial celebrations.

Sincerely,

J. Robert Wiss, *President*

Norman F. Wiss, *Vice President*
Treasurer
